NOTE: You are attempting to create a Festival Profile for a child that would be linked to you. They will still be able to log into their own Festival Profile separate from you using their Profile ID or Email Address and their unique password which you identify here. Once created, you will be able to register this child as an Individual Entrant through your own profile.

Please note that your child may have the same email address as you, but **must** have a different password than you, and one that your child will remember so that they can log into their profile themselves. You will also need to know your child's Teacher ID.
